- 1.2 The Post Secondary Student Support Program supports all PBCN Treaty / Status Indian students in pursuing post secondary studies in recognized and authorized post secondary institutions, based on eligibility and availability of funds.
- 1.3 The objectives of the Post Secondary Student Support Program are to encourage and support qualified, eligible students to acquire university, technical institute, college or professional qualifications so that they can become economically self-sufficient and develop their individual potential to further their own aims and contribute to the progress of the First Nations community, the Province and Canada.
